There are three videos to help Consumers with the home buying process.

The videos include:

**Shopping for your Home**; instructs viewers on assessing how much of a home they can afford, working with a real estate agent and what happens once they find a home.

**Shopping for your Loan**; helps consumers use the good faith estimate (GFE) to determine how long an interest rate is available, how to identify key loan terms and costs.

**Closing the Deal**; walks consumers through actual closing process including how to compare actual costs with those reflected on their GFE to make sure the loan they were offered closely matches what they have at closing.
